

# ONLINE GIFTED PD

**INTERESTED IN LEARNING MORE AND DIVING DEEPER FROM THE COMFORTS OF YOUR OWN HOME?**

**Join one or more of our book studies or independent assignments.**

Mid-Ohio Educational Service Center is providing our client districts the opportunity to learn from the comforts of their own home utilizing Google Classroom.

Earn gifted hours and earn credit from Ashland University for an additional fee.

**All of these are free to those districts in the Mid-Ohio ESC Gifted model. CEU's are also available.**

## FOR MORE INFORMATION

419.774.5520 ext. 2481

# BOOK STUDIES

## SUMMER 2020

### Teaching Gifted Kids in Today's Classroom (Note: 3rd or 4th edition can be used.)

Work at your own pace from June 1 - August 15, 2020

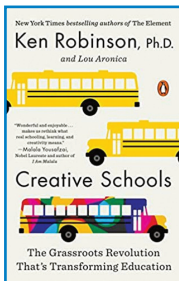

**Completion Deadline:** August 15, 2020

15 Hours of Gifted Education PD

The “orange bible” brings fresh updates to the definitive guide to meeting the learning needs of gifted students in the mixedabilities classroom—seamlessly and effectively with minimal preparation time. Included are practical, classroom-tested strategies and step-by-step instructions for how to use them.

---

## FALL 2020

### Creative Schools: The Grassroots Revolution That's Transforming Education

Nine weeks beginning September 14 - November 20, 2020

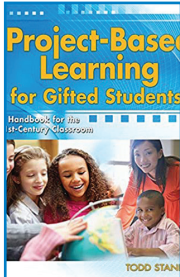

**Registration Deadline:** September 9, 2020

15 Hours of Gifted Education PD

Ken Robinson, internationally recognized leader on creativity and human potential, focuses on one of the most critical issues of our time: how to transform the nation's troubled educational system. Filled with anecdotes, observations and recommendations from professionals on the front line of transformative education, Creative Schools will inspire teachers, parents, and administrators alike to rethink the real nature and purpose of education.

## WINTER 2021

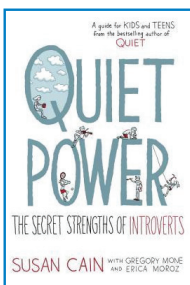

### Project-Based Learning for Gifted Students: A Handbook for the 21st-Century Classroom

Nine weeks beginning January 18 - March 19, 2021

**Registration Deadline:** January 13, 2021

15 Hours of Gifted Education PD

The book guides teachers to create a project-based learning environment in their own classroom, walking them step-by-step through topics and processes such as linking projects with standards, finding the right structure, and creating a practical classroom environment. Project-Based Learning for Gifted Students also provides helpful examples and reproducible lessons that all teachers can use to get started.

### Quiet Power

Nine weeks beginning January 18 - March 19, 2021

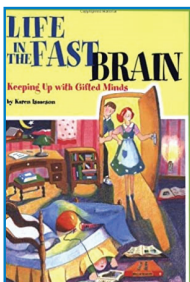

**Registration Deadline:** January 13, 2021

15 Hours of Gifted Education PD

Susan Cain has extended her work with introverts & extroverts by writing this student and teacher version of Quiet. It shares an insightful view of the Super Powers our introverts hold. Cain shares how teachers & parents can guide students as they explore their introverted tendencies and begin to use their Super Powers to their advantage in the classroom, at home and while participating in extracurriculars.

## SPRING 2021

### Life in the Fast Brain

Nine weeks beginning March 1 - April 30, 2021

**Registration Deadline:** February 24, 2021

15 Hours of Gifted Education PD

Gifted kids can be challenging to raise, and Karen Isaacson encourages us to stop taking everything too seriously. Laughter is great medicine, and her humor is a great way to ease the burden of coping with gifted kids who make nearly every experience extraordinary. Enjoy comical stories of the things that gifted kids do and say, and discover the wit and wonder of this mother of five.
