

The Richland School of Academic Arts

Where Academics & Arts Come *Alive*

The Richland School of Academic Arts, a public charter school that emphasizes an integrated arts curriculum, performance arts, hands on learning, differentiated instruction, and a safe and nurturing environment, is looking for highly energized and dynamic teachers who are able to relate to and motivate students in grades K-8

The Richland School of Academic Arts is in the top 7% of all charter schools and because of that we received a 1.4 million dollar building grant.

We opened a brand new 66,000 sq. ft. building in the 2016-2017 school year and built a 12,000 sq. ft. Middle School wing this year.

Required Education/Skills:

Job posting: We are looking for HQT teachers for K-12 Intervention Specialist

Primary Tasks:

1. Share a commitment to the success of providing the best academic core curriculum blended with meaningful integration of the visual and performing arts.
2. Support and fully participate in a school culture that focuses on both teacher and student learning.
3. Set high expectations and standards for the achievement of students and own personal performance.
4. Offer content and instruction that ensures student achievement of school's academic standards.
5. Develop artistic and creative skills that foster helpful techniques for learning.
6. Help students to create an individualized learning plan designed to fully help a student's social awareness, emotional self control and problem solving techniques.
