Preschool

*Give your preschooler the opportunity
to learn pre-reading, language and math
skills in an environment that helps them
develop self-confidence and self-control
to prepare for kindergarten.*

What will my child experience at Mid-Ohio ESC's preschool?

- Learn pre-reading skills aligned with the Early Learning Standards from the Ohio Department of Education
- Experience an inclusive and diverse environment that is responsive to their interests and needs
- Discover computers, art, and physical education
- Explore a developmentally-appropriate classroom
- Make friends and enjoy group activities
- Be ready for kindergarten by experiencing pre-academic content, such as science, social studies and math

What about the staff?

Each half-day preschool class operates with maximum of 16 students. Each class has a licensed preschool intervention specialist as the head teacher and at least one classroom assistant. Services to students with special needs are also provided by occupational and physical therapists, speech and language therapists and a school psychologist.
