

Crisis Prevention Institute *Initial* Training

The program is a safe, non-harmful behavior management system designed to help human service professionals provide the best possible Care, Welfare, Safety, and SecuritySM of disruptive, assaultive, and out-of-control individuals even during their most violent moments.

In addition to successfully demonstrating the application of physical intervention skills, individuals will be required to pass a post-test prior to being certified.

Wear comfortable clothing and closed toed shoes. During the physical interactions, participants will wash hands, wear nitrile gloves, and remain with the same partner(s) through the duration of the training. You must adhere to COVID-19 guidelines attesting to your wellness, having your temperature checked and wearing a mask. Personal Protective Equipment will be available. See our website at moesc.net for more information about our COVID-19 requirements.
