

Educational Service Center of Medina County

"Stepping Up to Excellence"

The Educational Service Center of Medina County will be the leader in providing services and products that promote excellence in education.

North Region,

All classes will follow all federal, state, and local health department guidelines:

Do not come to class if you have a temperature above 100.4 degrees or you have experienced any symptoms of the covid-19 virus.
Please remember that persons exposed to covid-19 must self-quarantine for fourteen days after initial exposure.
Any persons attending these classes that test positive of covid-19 after they take the class must contact the ESC of Medina County immediately at 330-723-6393.

We will be implementing the following requirements for classes until further notice

During class:

- Maintain a six (6) foot distance from all persons at all times; this includes entering and exiting the building.
- Practice good hygiene and wash your hands frequently.
- Refrain from shaking hands. The sharing of materials is prohibited. Each attendee must bring their own pen or pencil.
- Attendees should remain seated in the same chair during the class.
- Class size will be limited to the number provided by the facility to where the class will be held and to where social distancing will be maintained.
- Those attending the pre-service class must be seated so they are spaced at least 6-feet apart regardless of the capacity limit.
- Face coverings may be required for all attendees. Attendees without face coverings may be turned away. Face covering requirements will be determined by the facility to where classes are being held.
- The classroom, desks, and chairs, will be sanitized between each session.
- Vending service is not available. You may bring a non-alcoholic beverage with you to class.

Thank you for all you do for the children of Ohio,

Mike Redfern, North Region Pre-Service Instructor.
