WHY CHAMPS?

- Improve classroom behavior
- Increase academic engagement
- Motivate students to put forth their best efforts
- Teach students to behave respectfully and to value diversity
- Feel empowerment and happy to be in the classroom
- Reduce staff burnout

ABOUT ANG:

Ang Fetter, is a pragmatic Special Education Consultant specializing in professional development that promotes positive behavioral outcomes for children and youth. With over ten years of experience serving students, families and communities impacted by high poverty and its traumatic effects, Ang brings an authentic, real-life appreciation of the unrelenting challenges faced by educators within today's learning environments.

As a graduate from The Ohio State University, she holds a Bachelor of Science in Education: Intervention Specialist with a moderate to intensive licensure. She completed a Master of Education: focusing on Applied Behavior Analysis, from the University of Cincinnati. Ang also possesses a graduate certificate, specializing in Restorative Practices from The International Institution for Restorative Practices (IIRP).
